ORDER

GREGORY H. WOODS, United States District Judge:

On October 26, 2023, the parties filed a notice of acceptance of offer of judgment pursuant to Fed. R. Civ. P. 68. Dkt. No. 34. In so doing, the parties did not file the “form of proposed order for the entry of judgment consistent with the terms of the offer and acceptance,” as described in the Court’s September 26, 2023 order, Dkt. No. 29. If the parties wish to resolve Plaintiff’s Fair Labor Standards Act claims in the case by an offer and acceptance of judgment pursuant to Rule 68(a), the parties are directed to submit the associated form of a proposed order to that effect no later than November 9, 2023.

SO ORDERED.
